About Me

I am a dedicated and enthusiastic Developer. I have been learning web development for couple of years. I am keen to gain more experience in the field. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment and be a pleasant and friendly addition to your team. Get more details from my website.

Key responsibilities:

- Implement responsible web design principles to ensure that website renders well across multiple devices
- Assist in the development of applications and features that will be put on the website and in internal functions as well
- Design a framework for creating user apps that grows with the needs of the company

Education Background

- G-Tech Computer Education Trivandrum, Kerala
- Certificate in Employability Enhancement Program (Web Development)
- Completed in 31/12/2021
